

At Furry Feet Retreat, your furry friend will have fun, be pampered, and receive the best of care!

Our boarders spend most of their day socializing with other boarders and doggie day care visitors. We encourage owners to bring your dog's usual food to avoid stomach upsets that can occur with a rapid dietary change.

While your dog is on holiday here at Furry Feet Retreat, they can also enjoy a bath, or one of our other spa treatments. We invite you to call us with your questions, or better yet, come and visit us in person so you can see why Furry Feet Retreat is the first choice of Triangle dogs and cats!

Most of our boarding policies are summarized in our Boarding Agreement. Please click the link above to access our Boarding Agreement to learn more about our check-in and check-out times, payment arrangements, cancellation policies, vaccination and health requirements, and your dog's food, toys and bedding. Don't hesitate to call us if you have any questions about any of the information contained in the form.
